OK good. Thanks for the clarification. Can you add me as a cc for both of those invites (and Dan). Thank you,

Peter

Just to clarify, I have all the attendees for the first meeting, and my understanding is they all continue to the 2<sup>nd</sup> meeting but the tribal reps would be added in, correct?

We did update the invite to the tribes on Friday with the agenda (per Gina). It's just hard to tell who those folks are from email addresses. Only looking for most senior rep from each Tribe.

Gina/Susan/Erik can you work with Linda to make sure we remind/check on attendees for tomorrow. I am worried they were not adequately notified.

We also need to get the agenda out to them this morning.

Thank you,

Peter

3pm works for Dennis – if there is anything to be printed ahead of time, please send to Linda E (I'm working remotely today).

Also, I still have not received any names for the public calendar for the Tribal representatives attending the 11:30 Tribal Consultation...

Linda/Linda and Kendra,

Sorry for the last minute scheduling but we need to brief Dennis (and Michelle if she can make it) before the Fed Leaders/Tribal Leaders meeting tomorrow and on a couple of other hot issues (HTL/Aquaculture/Navy). I have sent an invite for 3pm to Dennis/Michelle with those that should be included just to put a placeholder in.

Thank you,

Peter
